# GO WITH THE FLO

## A FLOWING STATEMENT OF STYLE AND GRACE

With graceful precision, the slender lines of FLO invoke the contemporary ambience of an urban modern retreat. The polished finish of reflecting glass and geometrical balconies easily flow into each other, giving it a sensuous zen-like appeal.

Inspired by Frank Lloyd Wright's Falling Water, the central mosaic of water droplets on the south façade captures the vertical and horizontal symmetries, making the building a flowing statement of style. As a boutique midrise, FLO animates the corner of Avondale and Bales Avenues with a dynamic street presence. You've arrived.

# FLO

INTO STYLE

## A WORLD OF GRACE

Enter FLO through an impressive entranceway that hints at the stylish ambiance beyond. Here the Executive Concierge is on hand to announce your guests, receive your packages and help with everyday tasks to make your life flow with ease. Nestled back from the hustle and bustle of Yonge & Sheppard the FLO lobby is the epitome of a modern urban retreat. Light and airy, with a touch of glamour, softly the sound of falling water welcomes residents and guests alike.

The lobby ceiling soars 15' above a sand colored floor, glowing with indirect light and features a fixture of cascading points of light. To define the room, contemporary Origami formed plaster and lacquer wall panels contrast and compliment with the crisp, clean lines of the architecture. Central to the space is the reception area, finished in slabs of natural limestone and a floating ottoman with euro-centric lines; a space that invites you to stop for a moment, relax and appreciate the water feature that captures the focus and essence of the space.

# FLO

**A NATURAL OASIS OF BEAUTY AND FRESHNESS**  
FLO charms you with its gorgeously landscaped surroundings. Two stunning entrance porticos are enhanced with graceful planters and vivid foliage, offering a warm and inviting welcome. The lush landscaping gently caresses the building on all four sides, providing residents with a cool natural retreat in an urban setting. A limited collection of Garden Suites with private patio areas animates the street and organically connects FLO to the vibrant neighbourhood.

On the Rooftop Terrace, life flows to an exciting pulse of leisure and recreation. Enjoy alfresco dining and entertaining under the stars. Gather round the barbecue with friends and family and celebrate the good times. An ultra-modern catering kitchen and bar turn any occasion into a memorable experience.

### THE DEFINITION OF COOL URBAN SOPHISTICATION

When it comes time to unwind and relax, FLO's Rooftop Terrace has everything to inspire mind, body and soul. Host friends and family in style in the Party Room, a lavishly appointed social space with floor to ceiling glass, cozy fireplace, warm earthy tones and a chic urban ambience. If you choose to entertain under the stars, there are two cool zones to get your party into high gear. One has the energy of a Miami outdoor lounge with barbeques and cabana-style seating, while the other is zen-inspired, a sublime and soothing retreat perfect for tranquil enjoyment.
